

# REFLECTION GUIDE

After listening to *Lifting Experiences and Opportunities Through Strong Partnerships (Healthy and Thriving Environments for Strong Connections and Strong Schools, Part 7)*, consider the following questions on your own or with a professional learning community.

***What is one element of CommunityShare you want to apply to your current work in schools or with schools?***

1

***CommunityShare plays a role in seeding the human library we all exist in. In what ways are you making space for learning to transcend the boundaries of classroom/school walls?***

2

***The CommunityShare Educator Fellowship is an opportunity to transform student engagement. How can you deepen your role in co-designing learning experiences for students?***

3

***As you begin to reimagine how learning is activated by the wisdom and lived experiences of educators, students, and community members, how can the intersectionality of these experiences better inform opportunities for students you interact with?***

4

***How has listening to Josh Schachter impacted your vision for a healthy and thriving school/community? What are the immediate next steps you will take to put your vision into action?***
