

REFLECTION GUIDE

After listening to **Mentoring and Professional Learning (More Than Mentoring, Part 4)**, consider the following questions on your own or with a professional learning community.

Reflect on your journey in education and as a leader. What calls you to advocate for mentoring, impactful professional learning, and focus on opportunities for students?

1

What brings you professional and personal joy and keep you motivated to do the things you do?

2

Think about the next 5-10 years of your career. In what way will you continue to make a mark on your profession?

3

Explore online the many written works of Joellen Killion. What is one publication that you will commit to reading and getting curious about in the next 6 months? How do you think this publication connects to your current work?

4

How do you envision mentoring strengthening your workplace? What steps can you take to make this vision a reality?
