

# REFLECTION GUIDE

After listening to **Removing Barriers to Post Secondary Opportunities: Students and Staff (Healthy and Thriving Environments for Strong Connections and Strong Schools, Part 8)**, consider the following questions on your own or with a professional learning community.

*What might be conversations you would like to have with students you know to better understand their aspirations after high school?*

1

*What might you want to share with students you are connected with about how they can access post secondary opportunities?*

2

*As a community member, what are some ways that you can be more involved in lowering barriers to post-secondary opportunities for students you are connected to and across Arizona?*

3

*What do you now know about the FAFSA process that you didn't know before? What questions might you still have about the FAFSA process and who might you reach out to for more answers?*

4

*As a result of learning from this episode, how has your vision for a healthy and thriving school/community been impacted? What are the immediate next steps you will take to put your vision into action?*
